## COVER STORIES

### 16 Cali Cali

Fulfil founders Niall McGrath and Tom Gannon are attacking the snack market again, this time with a new brand of crisps and sauces inspired by California

### 10 Mario Draghi

The ECB president turned to unconventional monetary policies during his eight years at the helm. He saved the euro, but what about the collateral impact?

### 26 Investment Incentive

The EII tax relief scheme remains popular but accountancy bodies argue that self-certification is holding it back. A look inside some companies availing of the incentive

### 56 Recruitment

Salary levels are important for retaining and attracting quality staff, but leading recruiters explain how a host of other factors can make the difference

## ALSO INSIDE

### 6 Staycity

Tom Walsh's aparthotels portfolio now extends to Disneyland Paris and Venice. The clever business model has grown a €68m business

### 23 Zevo Health

Tapping into the workplace wellness trend, founder Richard Murphy took a stumble before finding his niche

### 36 Mainstay Medical

With losses of \$105m since going public in 2014, investors have been keeping faith in Mainstay's promised back pain remedy

### 40 Catherine O'Kelly

The government doesn't like domestic gas but the Bord Gáis Energy boss still has a €1 billion turnover business to run

### 46 Selling Your Business

Raymond Donegan looks at how to find buyers and what information needs to be assembled

### 47 Sustainability In Practice

Consumers are increasingly making purchasing and employment decisions based on an organisation's social impact

### 54 Turkish Airlines

Earlier departures from Dublin to Istanbul will help the airline to facilitate onward connections to Asian destinations

### 67 Pensions

Differences in the tax treatment of employer and employee contributions cause greater inequality than marginal rate reliefs
