COVER STORIES

10 Election 2020

Fine Gael's Leo Varadkar or Fianna Fáil's Micheál Martin will be Ireland's next prime minister. What will either man bring to the job, and what do they stand for?

16 Cosmetic Creations

Entrepreneurial clout with a dash of serendipity has served Aiden Corcoran well. A consultant who bought a factory from his client, the Mayo man has doubled up in Cork

55 Meeting Rooms

Professionals who oversee meetings, events and conferences discuss the latest trends, how the market is performing and what their venues have to offer

44 SME Finance

Bank credit was less plentiful in 2019 than the previous year, but not across all sectors. Many new finance providers have emerged, especially in property

ALSO INSIDE

6 Thrive

Everyone has a mobile phone so a bespoke app is a good way for companies to communicate with staff

12 Fine Gael's Record

The outgoing government oversaw a surge in tax revenues and public spending. Here are the figures

22 Zeus Packaging

From a standing start, Brian O'Sullivan's Zeus Packaging Group is heading for annual turnover of €200m, with all the growth debt funded

25 Embraer

The narrow-body jet maker is one of Brazil's global success stories. Now the Yankees want to take it over

30 Startups

Who'd want to start a small business? Carissa Casey meets three entrepreneurs who've taken the New Frontiers plunge

34 Pamex

After being laid off in his 40s, Tom Murphy has built a thriving business. With De Facto shaving oil he wants shavers to 'can the can'

52 Rooms Boom

Competition is hotting up in the hotel sector, especially in Dublin. Can the market absorb all the new rooms?

92 Kia eNiro

This electric vehicle lives up to its promise of 400kms motoring between charges. What's it like to drive?
