COVER STORIES

 <p>13 Coronacrisis Large parts of the economy are in intensive care due to government social distancing rules. New stimulus measures are centred on life support through to 2021</p>	 <p>34 Keelvar Investors are flocking to former UCC lecturer Alan Holland's business, which uses Artificial Intelligence to help reduce procurement costs for corporates</p>
 <p>28 Entrepreneurs There are eight contenders in the emerging category for EY's annual entrepreneur awards. Belfast's Brendan McDowell makes the most money with BPerfect Cosmetics</p>	 <p>56 CSR & Sustainability Reducing carbon emissions has moved up the corporate CSR priority list but old-fashioned giving is still very much in vogue</p>

ALSO INSIDE

- 18 ThinScale**
ThinScale's technology improves remote working security. CEO Brendan Kiely can thank his brother-in-law for the inspiration
- 22 Wind Subsidies**
With the PSO levy on consumers for wind-generated electricity set to soar, will a new subsidy design ease the burden?
- 26 Tandem HR**
Aisling Teillard left her HR career to develop a performance management platform. Female peer support helped her to raise venture capital
- 42 Swappie**
The Finnish venture's used iPhone marketplace is enjoying fast growth. Millennial enthusiasm for the circular economy is one reason
- 44 Granite Digital**
By forging a partnership with Danish CMS developer Umbraco, the Cork digital agency is moving up the web development value chain
- 46 Affidea**
Conventional political wisdom is to socialise medicine but public-private partnerships will always be required
- 48 Online Learning**
The Covid-19 lockdown has put the focus on online learning. And these education providers are rising to the challenge
- 76 Malta**
The Mediterranean island has a lot in common with Ireland, and some differences too, especially the weather
